Description of Necessary First-Aid Measures

General Advice	In case of accident or unwellness, seek medical advice immediately (show directions for use or safety data sheet if possible). If symptoms persist, call a physician.
Eye Contact	Rinse thoroughly with plenty of water. After initial rinsing, remove any contact lenses and continue rinsing for at least 15 minutes. Keep eye open while rinsing. If symptoms persist, call a physician.
Skin Contact	Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. If symptoms persist, call a physician. Wash contaminated clothing before reuse.
Inhalation	Move to fresh air. If breathing is irregular, or stopped, administer artificial respiration. Avoid direct contact with skin. Use barrier to give mouth-to-mouth resuscitation. If symptoms persist, call a physician.
Ingestion	Drink plenty of water. Do NOT induce vomiting without medical advice. Rinse mouth. Never give anything by mouth to an unconscious person. Consult a physician if necessary.
Self-protection of the first aider	Use personal protective equipment as required.
